This Month in Children's Church

Dear Parents,
We will continue working on the 12 Disciples. At the end of our study, children will be able to answer the following questions: What is a disciple/apostle? What is discipleship? What are the qualifications to become a disciple? Who were the twelve disciples? What was the mission of the disciples?

Students will learn that a Disciple: is a follower or learner. Someone who takes up the ways of someone else. Applied to Jesus, A Christian disciple is a person who accepts and assists in the spreading of the good news of Jesus Christ. (Acts 26:28; 2 Corinthians 1:21).

Christian Discipleship: the process by which disciples grow in the Lord Jesus Christ and are equipped by the Holy Spirit, who resides in our hearts, to overcome the pressures and trials of this present life and become more and more Christ like.

Vision Forward

The Children's Ministry will begin participating in Vision Forward this month. It is our goal to raise \$2,000 by the end of the year to help support both the children's ministry as well as the Vision of our Church. We will begin by doing a coin collection. Please have your child pick up a *Sea of Galilee Gleaner* and fill it with quarters. We encourage students to ask neighbors and friends for quarters. We also encourage students to work around the house and earn quarters for themselves. Once the gleaner has been filled, return it to the church office or to one of the ministry workers. Please feel free to fill as many of the gleaners as you would like. Thanks in advance for your support with the Sea of Galilee Vision Forward efforts!
